PRINCIPAL'S NEWS

As 2017 school year draws towards a close I wish to take this opportunity to thank all those who have made Coorparoo State School and amazing place for education of young people. It is a team effort and a partnership between parents, staff and students.

I am continuously amazed by the impressive efforts made each week by so many. Our community is what stands out. From our parent reps, SCLO and P&C through to our School Council, it is a massive endeavour each week clearly focused on helping our children have the best experiences they can, shaping them to grow into the young people we wish them to be.

SOAR— Be SAFE these holidays whether that's riding your bike, crossing the road or swimming at the beach.
