

Investing for Success

**Under this agreement for 2017
Coorparoo State School will receive**

\$341,640*

This funding will be used to

- All targets within the Coorparoo State School Internal Monitoring Schedule (IMA) are met or exceeded.
- Develop digital literacies for all students
- Develop a STEM approach for all students

Our initiatives include

- Provide targeted support for students for whom English is an additional language or dialect.
- Invest within the early phase of learning, thereby building a strong foundation for subsequent success.
- Support every student in the development of Reading skills and Comprehension.
- Refining and embedding a researched and connected approach to the teaching of number and writing across the school.
- Supporting staff in differentiation for students and using data to direct student learning.
- Support students with literacy development utilising the Multi-Lit program
- Refine and embed Digital Literacies for all students
- Support the development of STEM

Our school will improve student outcomes by

- Implementing the "Read it Again-Foundation Q" program in the Early Phase of Learning- \$ 30,535
- Implementing the Oracy and Literacy program for students who have English as an additional Language or dialect- \$ 30,379
- Engaging Literacy & Numeracy Coaches to support teachers in developing high impact pedagogy with a focus on writing and number - \$233,726
- Implementing Multi-Lit program to support identified students \$ 12,000
- Support the development of digital literacies and a STEM approach \$35,000
