2017 Voluntary Contribution Appeal

The P&C recently paid for the installation of **air conditioning for every Prep, Grade 1 and Grade 2 classroom in Kijini**. Cooling these spaces has had an immediate and positive impact on our students learning outcomes. This project cost over **\$100,000** and was paid prior to the 2017 annual fundraising program to benefit our students now during the hottest part of the year. Donations from the 2017 Voluntary Contributions appeal will go towards replacing the funds used to pay for the air conditioning. Looking forward we will be working with the School to identify and prioritise new projects to be funded by the P&C.

Building Fund – Contributions to this fund must be spent on the acquisition, construction or maintenance of a building. In the past the P&C has used building funds to air condition classrooms.
Only donations to the Building Fund are tax deductible.

Hardship Fund - The P&C established this fund to ensure every student at CSS has the necessary equipment for learning (stationary, text books) and a suitable school uniform. All contributions to this fund will be used to support families experiencing hardship.

General Fund - Contributions to this fund will be allocated to other projects. These are determined by consultation with the School and P&C members.

We would like to make a financial contribution to support the P&C to the amount of:

\$50 \$80 Other amount - \$ _____

We would like this contribution to be allocated to (select one or specify the amount allocated):

Building fund (tax receipt will be issued) \$ _____
 Hardship fund \$ _____
